

## BECOMING TRANSFORMING TRANSFORMERS

God is in the business of undoing the damage of sin in our lives (1 John 3:8).

We, in turn, can help heal the damage sin causes in society, because in His people, the Kingdom of Heaven has drawn near. (Mark 1:14).

We can become TRANSFORMING TRANSFORMERS—people who transform and bring transformation to the places they go as well.

We showed in the book of Luke how people were sent out by Jesus in two's, to tell folks in their cities how "the kingdom of heaven was near! (Luke 10:1-12).

We can begin to go to sporting events, businesses, civic offices, even our neighbor's parties, and begin sharing our life of transformation.

Hence we can become TRANSFORMING TRANSFORMERS!

The Bible depicts a marvelous future where all will dwell together in amazing love and joy and peace, and live life fully! It will be a place where people laugh, play, work, build and grow, and glow together, doing many of the same things we enjoy doing here on this earth but doing it in a way that is unfettered by the destructive power of sin.

It will be a "God-soaked" world, submerged in God's prevailing attribute – love! (1 John 4:8)

In the faces of everyone, we'll be able to see the glory of God, just like we do in the face of Jesus (2 Corinthians 4:6).

Mankind was meant to be God-saturated. (Genesis 2:7)

The angels sang for pure joy at the creation of the physical earth. (Job 38:1-7)

And it will be like that because the Kingdom of Heaven will be unrestricted by the Presence of Sin!

We can begin to access that way of life now because the Kingdom of Heaven is near! (Mark 1:14).

And we can "repent" — and believe, and access the good news!

In fact, there are three gifts God has given us that can help access that marvelous way of being now.

Acts 3:19-20,

1. Repentance
2. Confession (Psalm 32)
3. Turning To God

These are not ascetic acts of torture and torment to repress your soul. They're gifts, that give God deeper access to your life and to let God in and let His way of life in.

Receive these marvelous gifts. And turn to the Lord, and find healing for your souls. (Matthew 13:15)
